Application procedure for New Shares

14. If you wish to apply for New Shares under this Plan, you must either:
- (a) provided you are not a Custodian, pay by BPAY, using an Australian bank account, in accordance with the instructions on the Application Form to ensure cleared funds are received by the Closing Date (note: if paying by BPAY you do not need to return the Application Form); or
 - (b) complete the enclosed Application Form and forward it with a cheque, bank draft or money order to the Company drawn on an Australian bank and in Australian dollars for the correct amount in accordance with the instructions on the Application Form.
15. Where you are paying by cheque, bank draft or money order, the completed Application Form, together with the cheque, bank draft or money order must be returned to the Company's share registry, **Link Market Services Limited (Share Registry)**, no later than 5 p.m. (AWST) on the Closing Date.
16. By using the BPAY facility to apply for New Shares, you represent that the total of the application prices for the following items do not exceed \$30,000.00 in total:
- (a) the New Shares you are applying for;
 - (b) any other Shares you are applying for under this Plan, or Shares or interests in the class issued under a similar arrangement to the Plan, in the 12 months before this application;
 - (c) any other Shares or interests in the class which you have instructed a Custodian to acquire on your behalf under this Plan; and
 - (d) any other Shares or interests in the class issued to a Custodian under an arrangement similar to this Plan in the 12 months before this application as a result of you instructing the Custodian or another Custodian, which resulted in you holding a beneficial interest in the Shares or interests.
17. Payment by BPAY may not be processed and may be invalid if it has not been received by the Company by 5:00 p.m. (AWST) on the Closing Date. You should be aware that the BPAY system closes at 5.00 p.m. (AEST) and your financial institution may implement earlier cut-off times with regard to electronic payment. You should therefore take this into consideration when making payment.
18. The directors reserve the right to close the Offer early, or to extend the Closing Date, at their sole discretion.
19. Do not forward cash. Cheques, bank drafts and money orders should be made payable to Hazer Group Limited. Receipts for payment will not be issued.
20. You must pay the exact application monies in Australian dollars. Any application money received that exceeds the amount required for the number of New Shares you successfully apply for by more than \$2.00 will be refunded to you without interest, and excess amounts paid by you of \$2.00 or less will be forfeited.
21. The Company reserves the right to reject any application for New Shares under this Plan, including any that it believes do not comply with these Terms and Conditions, ASIC policy, or the ASX Listing Rules.
22. In determining whether you wish to participate in this Offer, you should seek personal financial and/or taxation advice referable to your own circumstances.

Issue price

23. The issue price for New Shares is \$0.92. This reflects a discount:

 - (b) of 16.52% to the volume weighted average market price of the Shares on the ASX during the previous five trading days prior to 13 September 2021 (being the date on which the Plan was announced by the Company).
24. The Company's Share price may rise or fall between the date of this Offer and the date when New Shares are allotted and issued to you under this Plan. This means that the price you pay per New Share pursuant to this Offer may be either higher or lower than the Company's Share price at the time of the Offer or at the time the New Shares are issued and allotted to you under this Plan.
25. Eligible Shareholders may apply for up to the Maximum Amount of New Shares under this Plan. Eligible Shareholders can apply for New Shares under this Plan in increments of \$1,000.00. Applications for New Shares under this Plan must be for a minimum of \$1,000.00. On the basis of the issue price of New Shares available under this Plan, 1,086 New Shares will cost \$1,000.00, and 32,608 New Shares will cost \$30,000.00.

26. The number of New Shares which Eligible Shareholders will be entitled to will be calculated by the following formula, rounded down to the nearest whole number:

$$a = \frac{b}{c}$$

Where:

a = the number of New Shares to be issued;

b = the relevant subscription amount; and

c = the issue price (being \$0.92).

27. No fractions of New Shares will be issued. As set out in paragraph 26, the number of New Shares will be rounded down to the nearest whole number, and any residual balance of your application monies will form part of the assets of the Company or (in the event of a scale-back) will be returned to you along with the refund you receive from the scale-back.

36. The Company participates in the Clearing House Electronic Subregister System, known as CHESS (operated by ASX Settlement Pty Ltd (a wholly owned subsidiary of ASX)), in accordance with the ASX Listing Rules and the ASX Operating Rules. Under CHESS, you will not receive a share certificate in respect of your New Shares, but you will receive a statement of your holding of Shares. If you are broker sponsored, ASX Settlement will send you a CHESS statement. The CHESS statement will set out the number of Shares issued under the Plan, provide details of your holder identification number, the participant identification number of the sponsor and the terms and conditions applicable to the Shares. If you are registered on the issuer sponsored subregister, your statement will be dispatched by **Link Market Services Limited** and will contain the number of New Shares issued to you under the Plan and your security holder reference number.
